ZTE Corporation has bagged a GSM line deal from Bharat Sanchar Nigam Limited (BSNL).

As per the conditions of the same, ZTE will support 10.15 million of BSNL's GSM lines across the country and thereby help increase its subscriber base.

Under this partnership, ZTE will be involved in planning, financing, engineering, supply, installation and testing, commissioning and annual maintenance of the GSM lines. The procurement of these lines for expansion of 2G and 3G services will cover all BSNL telecom circles in the Northern and Southern Zones

Commenting on the same, Cui Liangjun, chief executive officer, ZTE India said, "We are excited to partner with BSNL to support their ambitious growth plans in North and South India. We are confident that this association will help BSNL to offer competitive mobile communications that can meet the present and future telecommunication needs, and help ZTE boost its business in the Indian sub-continent."
