

According to the reports, the shipments of smartphones in India grew to 37 million units during second quarter of 2019. Xiaomi held the top spot with 28 per cent share during the quarter.

Further, the report added that the BBK Group, the combined holding group of Oppo, Vivo, Realme and OnePlus, garnered a combined 30 per cent market share across the various brands. Realme has been within the top five brands driven by the strong performance of Realme C2 and Realme 3 Pro.

Meanwhile, Samsung's shipments decreased by 7 per cent during the quarter.
